Two Men Reported Fatally Injured Near Canarsie.

One Said to Be a Relative of Police Justice Ford.

BY AN ELECTRIC BOLT.

Trolley Road Wires Struck and the Dynamo Borned Out.

ISPECIAL TO THE EVENING WORLD. Janutea, L. L. Aug. 10.—Lightning played havor in this vicinity during the severe electrichl storm last night. It is recorded here this morning that two men were fatally injured at Canarste; by a lightning bolt. Their names are given as Ford and Whittaker, and it is said they are members of the Canarsic Boas Club and were standing in front of the club-house when the bolt shot

down. Ford is said to be a relative of the late Police Justice J. Henry Ford. of New York. The accident caused a great sensation at Canarsio and the town is in a state of great excitement. No further particulars have yet been received.

The lightning also struck the wires of the Jamaica and Brooklyn Trolley Road and burned out the dynamo, rendering it useless. The read is not in operation to-day in consequence.

Several houses and barns were also struck in this vicinity, and the storm was one of the reverest that ever visited this part of Long St. PETERSBURG, Aug. 10.-The pleasure Island. steamer reported in these despatches of Mon- Another report says that one of the men
